

How to arrange lessons with me

1. Get in touch

Send me an email or a WhatsApp message and we'll schedule an initial meeting. There we will clarify what you expect from our cooperation – whether general language lessons, conversational practice to get you speaking or to maintain your current level, or preparation for a language exam. Based on that, we will choose suitable materials to work with.

2. Agree on terms

We will set the time, price, and place of the lessons.

Lessons usually last 60 or 90 minutes. My teaching rate is the same regardless of the number of students, so you can also form a small group with friends or colleagues of a similar level and share the cost.

I believe in the advantages of face-to-face meetings and natural human communication. If you work in Brno, I'll be happy to come to a place where you feel comfortable learning. If in-person lessons are not possible, we can arrange online lessons via Zoom.

3. Start your lessons

Your language journey can begin. Without motivation, homework, and effort on your side it won't work, but I will help make improving your language skills an enjoyable experience.

If we haven't met yet, an introductory lesson is, of course, free of charge. You only pay if you decide to continue with me.
